📍 No. 11, Qingjiang Road, Xinbei District, Changzhou City, Jiangsu Province

BRAND ORIGIN

A Pillar of Strength, A Heart of Service

Inspired by the enduring pillar that has stood firm in the Yellow River for centuries, Zhongbai believes true strength lies in reliability, resilience, and commitment.

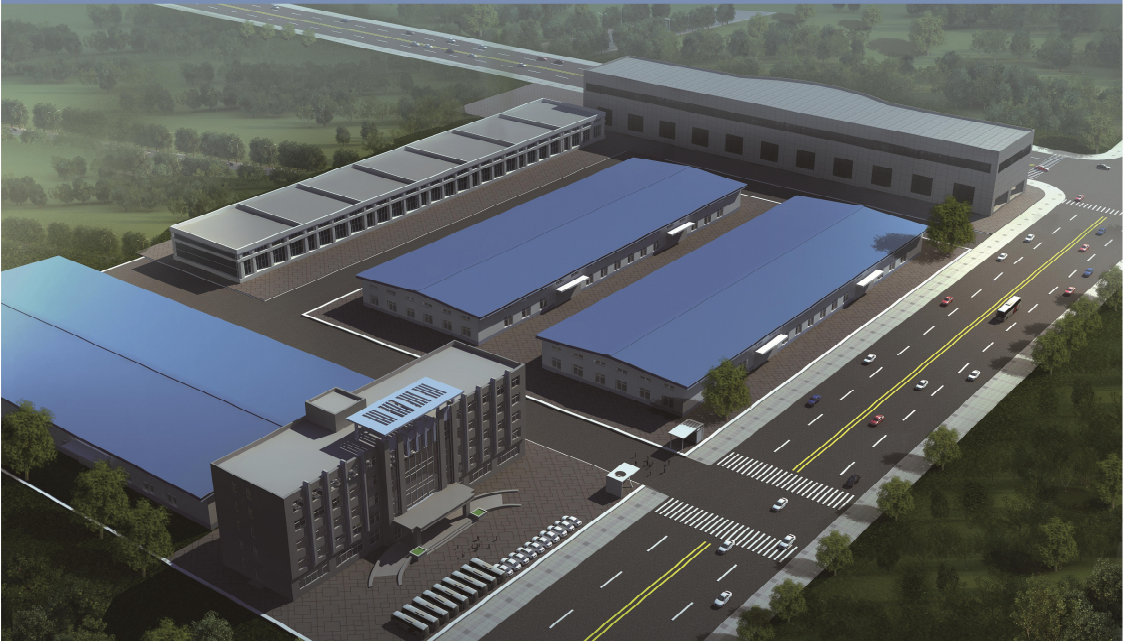

Just as the river pillar withstands powerful currents, we remain dedicated to delivering dependable healthcare furniture and interior solutions that stand the test of time.

With an open mind and a customer-first approach, we work closely with partners around the world, providing customized solutions, professional support, and long-term service. Our goal is simple: to create safer, smarter, and more human-centered healthcare environments.

A hospital is a harbor of hope for life. It must embrace the diverse needs of every patient with the vast inclusiveness of the sea, while holding fast to its original mission and upholding the strictest standards of medical safety and professionalism. We deeply understand this philosophy. When crafting our medical furniture solutions, we fully adapt to the unique spatial styles, functional requirements and cultural characteristics of different hospitals, yet always take medical-grade quality as our bottom line. We strive to create a warm, inclusive yet rigorous and reliable environment for every medical space.

Enterprise Introduction

An aerial photograph of a large industrial park. The complex features several long, rectangular buildings with bright blue roofs, likely warehouses or manufacturing halls. A central building with a grey facade and multiple windows serves as the main office or administrative center. The facility is bordered by a wide, multi-lane asphalt road with yellow and white lane markings. Several cars and a truck are visible on the road. The surrounding area includes green fields and trees, suggesting a semi-rural or suburban location.

CERTIFICATE OF HONOR

Three-year winner of the Top 10 Hospital Furniture Suppliers in China

CERTIFICATE OF HONOR

China Green Product Certification Low VOCs Furniture Product Certification

High-tech Enterprise Certificate Antibacterial Marked Product Certificate for the Year 2022

Small and medium-sized technology-based enterprises in Jiangsu Province

Private technology enterprise in Jiangsu Province

AAA-rated credit enterprise

Certificate of Council Member Unit

China Environmental Labeling Product Certification

Product certification certificate

Product Anti-Corrosion Level Certification (Table and Desk Type)

Product Anti-corrosion Level Certification (Cabinet Frame Type)

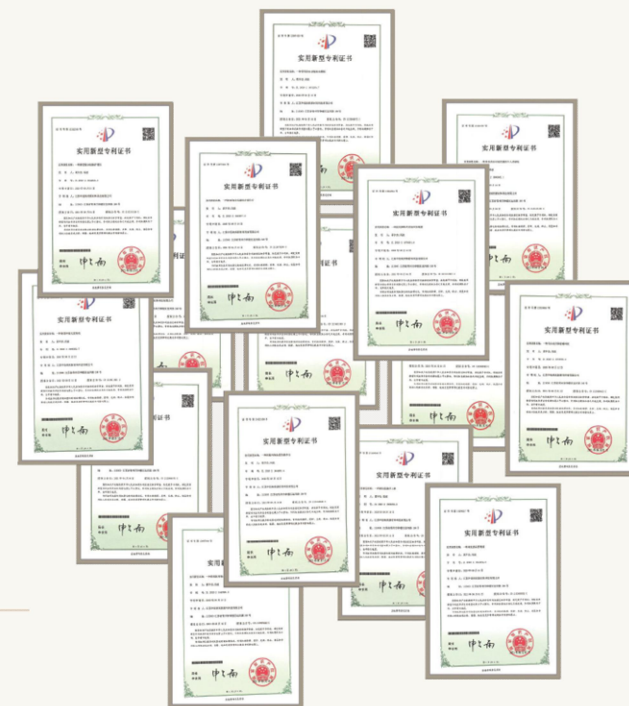

SYSTEM CERTIFICATION

Environmental Management System Certification
Quality Management System Certification
Occupational Health and Safety Management System Certification
Green Supply Chain Certification
Customized product service certification
Ergonomic Certification Certificate
Certificate of Enterprise Integrity Management System Certification
Corporate credit rating certificate
Corporate Brand Evaluation Service Certification

Certificate of Enterprise Performance Evaluation and Certification
After-sales Service Certification

PATENT CERTIFICATE

A medical foot-operated garbage recycling device
A type of slant-pulling basket for medical use on the shelf
An automatic lifting medical cabinet
A sink cabinet with water purification function
A self-supporting multi-functional nurse station
A new type of composite assembly nursing station
A new type of retractable storage tray
A high-risk drug management cabinet
A new type of high-efficiency sterile combined operating table
A new type of operating platform for sewage disposal
A new type of medical item classification storage cabinet
A high-risk drug control cabinet with fingerprint recognition function

PRODUCTION BASE

Located in Shuyang-renowned as the Flower Nursery Capital our manufacturing facility spans 20,000 square meters, with 10,000 square meters dedicated to standardized factory buibngs.

Expertise & Workforce:

- Total Employees:100+
- Technical Team :20+ engineers
- Senior Technicians:10+
- Mid-Level Technicians:30+
- Indusy Experience: 20+ years in sheet metal fabrication.

Core Capabilities:

We provide integrated solutions including:

- Sheet Metal Processing: Laser cutting, CNC turret punching, bending, welding
- Equipment Production: Customized machinery systems, assembly line manufacturing
- Comprehensive Services: Truly integrated operations encom passing shearhg, bending, cutthg, grinding, welding, and coating to meet diverse client requirements

 200,000+ Sets/year Production Capacity	 100 million Yuan/year Sales Value	 200+ Hospital/year Customers
 Optimal Material • Substrate: Baeccest SECC electro-galvanized steel plate • Surface Coating: AkzoNobel epoxy resin posider • Surfacing Material: DuPont Corian acrylic acid suriyic • Hardware: Hafele steles, hinges, and locking systems.	 Latest Technology • Blanking: Laser coiting of coiled material using an intelligent production line for blanking • Forming: CNC bending center for shaping • Welding: Resistance welding, grinding, and shaping • Coating: Fully automated tunnel-type pre-treatment + spraying assembly line.	 The Best Product • Delivers value to coam: Solves key user pain paints & addresses sore needs. • Creates value for the company; • Drives profit, builds strong brand reputation, and unlocks future growth growth. • Contributes value to the market/so-ciety. Addrviates critical societal challenges and alleviates broader pain points.

HOSPITAL AREAS WE SERVE

Complete Solutions for Every Healthcare Space

We provide one-stop interior solutions for hospitals and healthcare facilities, covering all departments from public areas to clinical spaces.

01

WAITING AREA

Comfortable seating solutions and reception counters

02

NURSE STATION

Ergonomic design for efficient nursing workflow

03

WARD ROOM

Safe, comfortable and functional inpatient environment

04

TREATMENT ROOM

Specialized cabinets and workstations for clinical operations

05

PHARMACY

Storage systems and dispensing counters for pharmacies

06

LABORATORY

Customized lab furniture for various medical applications

07

DISPOSAL ROOM

Hygienic and durable solutions for waste management

08

ICU / EMERGENCY

Specialized furniture for critical care and emergency

PROFESSIONAL DESIGN
Tailored to your needs

HIGH QUALITY MATERIALS
Durable & Easy to Clean

SMART FUNCTIONALITY
Improve workflow

ONE-STOP SERVICE
From design to installation

GLOBAL DELIVERY
Reliable logistics support

AFTER-SALES SUPPORT
Long-term service guarantee
